6 Trios (1796)

- "Six Trios for violin, tenor and violoncello. Composed and inscribed to the memory of Jacob More Esq. by Wm. Shield (musician in ordinary to His Majesty). Advertisement: These Trios were composed chiefly for the above-mentioned celebrated landscape painter (in Rome) and are dedicated to his memory as a token of gratitude for the services he rendered the author during his residence in that city. The movements which are written in the uncommon tome of 5/4 have amused some of the most distinguished professors both in England & Italy which induces the author to hope they will not be disagreeable to the public at large", London, printed for the author by Longman & Broderip, 1796
